June and July 2025 (Created by Johnny)

Our troop had a wonderful experience this year at Boxwell. Our week was full of fun and informative adventures. We did experience some extreme rain and wind but everyone came out of it having great memories of our Troop 48 Boxwell week. A special thanks to all of our adults who make this troop possible and attend Boxwell so the troops can attend and enjoy the week.

This month of July we are making some changes that will be beneficial to our Troop. Our location has been changed to: **Thompson's Station Community Center, 1555 Thompson's Station Rd West Thompson's Station, TN 37179**. This location will offer us more opportunities to have fun, learn, adventure, and grow! Our new location will also give us better options for the length of time we meet. With that in mind we decided to change our meeting time to: 6:30 pm thru 8 pm. This extra time will really give us the ability to get more done during our Monday night meetings.

We got special treats at Boxwell: Smore's night, and ice cream nights!
